Your Appearance Before the Central Missouri

Press Association (CEMO), 25-27 May

- 1. Attached is a proposed itinerary for your appearance as the main speaker at the annual meeting of the Central Missouri Press Association in the Lake of the Ozarks, Missouri, on the weekend of 25-27 May. Dparture time on Sunday is very loose now and is at your option.
- 2. CEMO is the oldest regional press organization in Missouri with a membership of 60 daily and weekly papers. Two hundred working press and spouses are expected to attend the annual meeting. The dinner is a steak cookout--very casual, sport shirt or sport coat.
- 3. The local media has requested a press conference. We can schedule it anytime on Saturday--either at 1130 before lunch or at 1300 right after. I would think 1130 would be preferred by all. The local television and newspapers are expected to be present. Dalton Wright, President of CEMO, has invited representatives from Kansas City and St. Louis media to attend.
